

Organic Melt®

PREMIUM **ECO-FRIENDLY** ICE MELTER

Organic Melt® de-icer is an environmentally safe, agricultural-based product, and is extremely effective at lower temperatures due to its lower freezing point and faster ice-melting action.

EFFECTIVE TO -30°C • 25% HIGHER MELT VALUE • 30% LESS CORROSIVE

- ✓ 100% Natural Ingredients
- ✓ Least corrosive de-icer on walkways and driveways in clinical trials
- ✓ Prevents slips and falls
- ✓ Used on streets and parking lots by cities across North America
- ✓ Gentle on concrete, asphalt, pavers and vegetation when used as directed
- ✓ Effective down to -30°C (road salt only works to -12°C)
- ✓ Fast Acting
- ✓ Won't stain carpets or clothes
- ✓ Does not contain calcium chloride nor magnesium chloride
